

# SUMMER CAMPS GUIDE Chennai \* 2016

Hello parents and grandparents, aunts and uncles!

Haven't you ever wished to have the info on various camps you see all over the Social Media and websites in one place?

We too have been seeing such information scattered and thought that a compilation of all the resources would be useful.

This is simple attempt to put together the posters we receive and come across at YOCEE.

Hope you too find this e-book useful.

If you host a camp or if you know of a camp that is not listed, do mail us at [editor@yocee.in](mailto:editor@yocee.in).

You could also join our Facebook group, Chennai Kids Directory at <http://fb.com/groups/chennaikids/>

Have a cool summer!

### What parents say about us

The Terracota Jewellery Making class organised during the Summer Camp at Dhrona India Academy last year (2015) proved to be worth time spent as we could learn something new. I also learnt that the other classes organised were equally good and professional too. Team Dhrona India Academy, keep up the great work! Mrs. Subhasini, Happy Parent of Tharika

## Summer Camp 2016

**Dance to the Beat**  
 Wondering what is the best way to channel your child's seemingly boundless energy?! Dancing is not only highly physical activity but also a social activity that enhances discipline, focus and self esteem.

**Letter Land**  
 Builds phonemic awareness through purposeful play. Researches prove that phonemic awareness is a strong predictor of reading achievement.

**Story Telling**  
 Stories not only strengthen the child's understanding of language and creativity but also stimulate brain in the other areas. Our expert story teller Kavitha will also brief kids with basic story telling tips and techniques.

**Fun with Art**  
 Art & Craft are fun things to do with kids. It allows children explore and inspire an interest in the world around them. Our facilitator Janita takes your child's creativity, imagination a step higher with paper mache, clay moulding and various other activities.

Evam's Happy cow is an experimental learning platform which enhances communication skills through activities like mime, drama and speech.
