Summer Camps Guide 2023

Compiled by
Team YOcee

<https://yocee.in>

Welcome to YOCEE's Summer Camp Guide for 2023!

Here you will find a wealth of information about exciting summer camp programs for children of all ages conducted by various institutions and organisations in Bangalore.

This is a simple attempt to put together the posters we receive and come across at YOCEE to provide parents with a comprehensive guide to help them find the perfect summer camp experience for their kids.

From traditional outdoor camps to specialised programs like sports, arts, and STEM, we have compiled a diverse range of options to suit every child's interests. This guidebook includes detailed descriptions, schedules, and other information for each camp, as provided by the hosts.

We understand that choosing the right summer camp can be a daunting task, but we hope this booklet will make the process easier.

Thank you for choosing this summer camp booklet as your guide. We hope you find it helpful in your search for the perfect summer camp!

Disclaimer: Readers are advised to exercise caution, verify independently and use their discretion to use the summer camp information and to visit the external websites mentioned in this Paper. YOCEE does not vouch for any of their claims.

The Concept Preschool

Incredible India

 Summer
 Camp - 2023

An expedition to experience the prestigious Indian culture through moral stories, voyage and games.

Stories from India

April 3-15

Boost the reading and understanding of "Fables" or "Moral tales" curated to increase the children's attention span along with one specific teaching woven in them by using the engaging art of storytelling and interactive activities.

Bon Voyage in India

April 17-29

An enticing event that takes you on a journey to experience the diversity and beauty of India: the colorful markets of Rajasthan, the serene backwaters of Kerala, the bustling streets of Mumbai, and much more.

Age : 3yr Onwards

Desi Dangal

(Fun and Games in Indian Style)

May 2-15

Introduction of Indian games that will help children develop their IQ and thinking skills, while learning the importance of teamwork and cooperation through collective thinking and strategising.
